FOR IMMEDIATE RELEASE

NEW HIRES AT AHTNA, INC.

Anchorage, Alaska – Ahtna, Inc. is pleased to announce several new hires within its subsidiaries.

Ahtna Global, LLC, welcomes **Rachel Thompson** to the role of proposal manager, supporting Ahtna's proposal and business development activities. Thompson's professional background includes more than 17 years of experience in marketing, business development, proposal writing, technical editing, and project coordination. More than 10 of those years have been spent in Alaska supporting the environmental, engineering, and energy industries. She holds a bachelor's degree in Language Studies from the University of California, Santa Cruz, and is a member of the Association of Proposal Management Professionals.

Michael Records, MS, EIT, joins Ahtna Environmental, Inc., as an Environmental Engineer. With both master's and bachelor's degrees in Civil Engineering from the University of Colorado, Boulder, Records has seven years of professional experience, primarily in Alaska. His duties include support of environmental and construction work including site investigations, remediation, compliance, and demolition. He will manage field staff, subcontractors, logistics, budget, deliverables, and close-out. Records is skilled with the collection and interpretation of field data as well as the review and organization of earth science data.

Denise Yancey joins Ahtna Environmental, Inc., as the Proposal Coordinator for the business development department. As Proposal Coordinator, Yancey will research and report on new business opportunities and organize corporate information for use on proposal responses. Additionally, she will assist with the proposal tracking database, corporate networking, and outreach efforts. She holds a bachelor's degree in Technology from the University of Alaska Anchorage and an associate degree in Electronics Systems Technology from the Community College of the U.S. Air Force. Yancey has been professionally published many times, has more than 20 years of experience in the field, and has lived in Alaska for 33 years as an active member of the community. She is a member of the Society of Marketing Professional Services.
